Hey, kids — Since we print your name, age, city and state, please include them on your letters.

Dear BARBIE,

I get your comics every month through the mail, and I love them!

I've got a lot of Barbie dolls in my room and I play with them 7 days a week. They are excellent and fun.

Once, my brother got a comic the same day that I got my BARBIE comic. I read both of them and thought BARBIE was better than my brother's!

My favorite issue was the one with the Memory Book.

Katie Kamboukes, age 8
Kendall Park, NJ

Getting your BARBIE and BARBIE FASHION comics in the mail every month is a great way to be sure you'll never miss an issue, Katie!

If any of our other readers are interested in subscribing and receiving their BARBIE and BARBIE FASHION comics through the mail, fill out the form at the back of this very issue! Be sure to ask a parent or adult first!

Dear BARBIE,

My name is Stefanie and I am 7 years old. My mom bought me my first Barbie when I was just 2 years old! You're my #1 on comics!

I have many Barbie dolls. I am in the second grade and just made the honor roll for straight A's. My mom rewarded me with a new Barbie doll. My dad buys me Barbies, too. He thinks she's great.

I collect other Barbie things. I have fun with Barbies. I love Barbie!!!

Stefanie Herrera, age 7
San Antonio, TX

Straight A's, Stefanie! Wow! That's fantastic! Congratulations to you on all your hard work — it really paid off! Thanks for writing and telling us!

Dear BARBIE,

Hi! I'm Kirsty Wright. I really like reading your comic books. I read one, and now I collect them. I would recommend them to kids all over.

I especially like the one called "The New Kid On The Block." It says that you shouldn't dislike someone even if they look like a snob.

Please keep writing great stories like the ones you have been writing! Good luck!

Kirsty Wright
St. Joseph, MI

Barbie and Skipper are always ready with a warm smile or a kind word. The world would really be a much nicer place if we all were more friendly to each other, wouldn't it, Kirsty! Thanks for writing!

Dear BARBIE,

I like to read about you and your adventures. I can't wait for a new BARBIE comic

every month! I have a lot of Barbies. Can you write to me?

Bye!

Erin Olufs, age 8
Kenosha, WI

Sorry, Erin, but we aren't able to write back to each and every person who writes to us — there are just too many letters! But we do print the few that we have room for here on this page every month. And we love to read the letters our readers send! We hope you'll keep writing and that you enjoy reading this page!

Dear BARBIE,

Can you tell me more about BARBIE comic books? I bought #19, and enjoyed it. I collect Barbie things and now that I know about BARBIE comics, I'd like to get the ones I've missed. (I'm just a big kid!!)

Rita Merole, age 52
East Harlem, CT

BARBIE #1 and BARBIE FASHION #1 comics arrived in November 1990, and have been pleasing Barbie fans of all ages ever since. To find more of Barbie's favorite comic book, check out your local comic shops, Rita! They may carry back issues of BARBIE and BARBIE FASHION, or they may be able to order them for you. Comic shops should also carry comic price guides, which will list every issue of BARBIE and BARBIE FASHION that's been published, and give you other information on each issue.

To find your local comic shops, check in the yellow pages under "Comics and Collectibles" or "Rare Books." Good luck!

Dear BARBIE,

My name is Kristi Novak. I am 12 years old and in the seventh grade. I have almost all of your comic books, and many dolls. I've been playing with Barbies since I was 1. (My older sister had Barbies.) I got my first Barbie when I was 3.

Last year, I kept my love for Barbie a secret, especially around boys. But one day, during lunch at school, one of my friends said she wanted Barbie dolls for her birthday and we started talking about them! Even with boys around!

I want to be an archaeologist or an actress. I like being in plays. Could you do a story about Barbie being an actress? My best friend, Stephanie, wants to be a fashion designer when she grows up. She's thinking of sending in one of her designs.

Kristi Novak, Age 12
Henderson, TN

You've chosen two very different fields for yourself, Kristi! You have lots of time to decide, though, and we know whatever you decide to be when you grow up, you'll be a big success!

By the way — thanks for writing in about your experience with other girls your age who love Barbies. We get many letters from Barbie fans who are worried they are too old for Barbie, or that people will laugh at them for loving Barbies. But you're never too old for Barbie — as you and your friends know!
